Step 5: Highlight and delete the existing slice labels and start typing in your student names instead.

Optional step 5A:

If you have a ton of names and the text looks too large, tap “Settings”

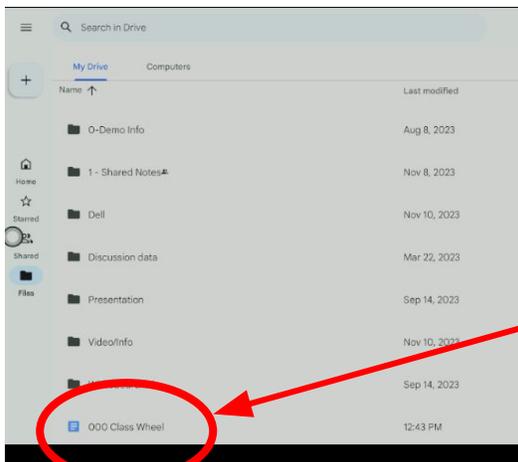

Then use the slide to shrink down the size of the text to better fit on the wheel

Step 6: Once you’re done, press “Share” at the bottom of your wheel

Step 7: Press “Copy Link” and put it into a word doc you can open on your panel

Step 8: Go to your panel and open up your drive to click on the file you just created
